

NDA-5080-TM Tilt mount 20-deg, 148mm

This camera-specific accessory is designed for use with the new line of Bosch's universal accessories. The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations whilst retaining the same look and feel.

Functions

The tilt mount is designed especially for use with the FLEXIDOME IP starlight 5000i and FLEXIDOME panoramic 5100i families. It provides an additional 20 degree tilt to dome camera installations when connected to a pendant interface plate.
